Preamble:

Since 1st Juni 2007 the **European declaration (EC) 1907/2006** is officially state and rules the registration, evaluation and authorization of chemicals (**REACH**) and obliged mainly the manufacturer and importers of chemical products to register these chemical products in Helsinki by the responsible agency for product registration.

Conformity:

Our company is according the REACH regulation classified als downstream user, who is as a rule no registration requirements by it's own.

According the REACH regulation polymers are general grandfathered in the registration.

Furthermore in the manufacture of the bioplastics bioFila® none of the potential substances of very high concern > 0.1% issued by ECHA and as published on the candidate list of substances of very high concern (SVHC, 16.12.2013) are used. Therefore the declarations of the suppliers is available

Final clause:

This declaration is based on information and declarations, which were available from twoBEars GbR, Benno Besler & Eva Tóth and our suppliers by date.
